Vicco YOUR SIZE **GUIDE**

IMPORTANT

Print at "100% scale" or "Actual size". If your print is correct, a credit card or quarter should fit this box.

- Cut along the dotted line
 Place "heel" edge of chart against a wall
- · Tape chart to hard floor for added stability
- · Place heel as shown on the chart
- · Measure to the longest toe
- · Make sure you measured both feet

NOTE

If child's feet are two different sizes, choose the large one. All Vicco shoes have medium width.
